

January 2018

The Kentucky Basket Association is accepting proposals for teaching and vending at our October 25-27, 2018 convention. The site for the convention is The Center for Rural Development in Somerset, KY. This is a wonderful venue with tons of space, fantastic lighting, plenty of parking, and a great staff. Those of you who taught or otherwise participated in the past know first-hand what an ideal site it is. You may check out the Center at their website: [centertech.com](http://centertech.com).

Enclosed are the proposal forms. You may submit no more than Seven baskets via US Postal Service or email. Just follow the instructions. The deadline is February 9th, 2018.
